Subject: COMMENT ON THE SOUNDPROOFING IDEA - ANGELA REYNOLDS

ANGELA

I DO NOT RECOMMEND THE CITY EVER ACCEPT OR TAKE ACTION TO SOUNDPROOF ANY PRIVATE PROPERTY DUE TO HEARSAY NOISE POLLUTION. NO HOME IN OR AROUND THE AIRPORT IS SO POLLUTED AS TO BE UNINHABITABLE WITH THE TRAFFIC LEVEL OF THE AIRPORT.

I HAVE LIVED JUST SOUTH OF THE 405 AT LAKEWOOD BLVD. FOR 22 YRS AND DO NOT "SUFFER" FROM THE AIRPORT. I KEEP MY DOORS AND WINDOWS OPEN MOST DAYS AND FEEL THE 405 TO BE THE WORST OF OFFENDERS FOR TIRE DUST AND NOISE AT ALL TIMES. ON SANTA ANA DAYS SOME OF THE DEPARTURE JETS SOUND LIKE THEY ARE IN MY LIVING ROOM BUT ARE SOON GONE. NOT THE 405.

IF someone DOES NOT LIKE THE CHANGES HAPPENING AROUND THEM THEN LET THEM PRACTICE OUR FREEDOM OF CAPITALISM AND SELL OUT AND MOVE ON AND DON'T LET THEIR SHIRT TAIL HIT THEM IN THE ASS ON THEIR WAY OUT OF TOWN. THIS CITY HAS NO BUSINESS PAYING TO IMPROVE ANYONE'S PERSONAL PROPERTY.

THANKS

DON THOMPSON
